With 10 years of commitment and dedication, serving the State of Hawaii and the Nanakuli-Waianae Coast as your State House of Representative for the 44th District, I file my re-election nomination papers today with more enthusiasm and dedication to serve you, the people of Hawaii. Joined in faith through our Lord and Savior Jesus Christ, by my supporters and staff, I file my re-election papers at the Elections Office in Pearl City. There is no perfect government but with all its weaknesses, democracy demands your participation and I ask for your confidence to serve you another term as your State House of Representative for the 44th District.
